PROFESSIONAL EXPERIENCE

Marketing Operations Executive

May 2025 to Present

Ascendion Inc. | Bengaluru, India (global team across North America, India and EMEA)

Marketing systems and ABM

- Serve as the only HubSpot admin for the global marketing team, owning forms, workflows, lists, email campaigns and reporting; audited every website form ahead of the site redesign.
- Run client-facing ABM programs for 15 enterprise accounts across APAC, North America and Europe, supporting the Markets team in winning 6+ opportunities in 2026 with a combined deal value of $350M+.
- Built webinar registration flows in HubSpot with automated confirmations, Teams join links, calendar invites and registration reporting, without needing landing pages.

Events and sponsorships

- Ran two PEI Operating Partners Forum sponsorships (Napa Valley and New York) end to end, including invite-only executive dinners; grew the New York dinner to 45 confirmed guests through a 13-email HubSpot sequence.
- Delivered the Napa dinner campaign to 269 private equity leaders with open and click rates above HubSpot benchmark, and built a 289-person attendee list for targeted outreach.
- Managed 10+ sponsorships and client events in 2026, including a healthcare innovation summit in Chicago and a charity golf series: booth collateral, signage, seating plans, trackers, shipping and lead capture.
- Own the global branded merchandise programme across the US, Singapore, Poland and India; built a merch events tracker linking every order to its event and Salesforce opportunity for quarterly pipeline reporting.

Analytics, budget and operations

- Analysed 546 Salesforce opportunities across the top 5 enterprise accounts for 2027 account strategy, delivering a formula-driven Excel model, branded PDF report, 49-slide deck and presenter briefing.
- Built the 2026 marketing spend report for the CMO, consolidating three spend sources into one dashboard, and a creative vendor spend report with a LinkedIn campaign review across 5 markets.
- Designed the marketing category taxonomy for the Coupa procurement rollout (11 groups, 70 categories) and run purchase requests, vendor onboarding and POs in Precoro.
- Wrote storyboards and scripts for two client-facing videos for a major healthcare client's leadership visit, taking them through executive feedback to sign-off.
- Use Claude, n8n and Python to automate reporting, build trackers and produce branded decks and print-ready assets, including fixing award certificates by rebuilding 41 pages as vector PDFs.

Marketing Analyst, APAC Oct 2023 to Apr 2025

Horizontal Talent | Bengaluru, India

- Set up the APAC marketing function from scratch, improving operational efficiency by 40% through documented workflows and processes.
